

The Biggest New Developments I Discovered at the HLAA National Convention

- New assistive listening devices from Nuheara, Wear&Hear/BeHear, CapTel & more
- New OTC Hearing Aids –besides low cost, the pros and cons and are they for you?
- What to expect as cochlear implant and hearing aid technologies merge together
- The implications of making drivers with hearing loss transparent on the highway

Speaker:

Debbe Hagner

Board Member, HLAA-Florida State Association

President, HLAA Gulf Coast Chapter

Chapter Mission: The HLAA Gulf Coast Chapter opens the world of communications to the 180, 000 local people with hearing loss through information, education, advocacy and support.

The HLAA Gulf Coast Chapter meets every first Wednesday of the month, except June, July and August, at the Safety Harbor Public Library at 12:30 pm. These meetings feature an expert educational speakers and offer free information, mentoring and support to anyone seeking to improve their hearing. During the three summer months, the chapter meets for a captioned movie every second Saturday at 12 to 1 PM at the Citrus Town Mall Regal Cinema.

All events are open to the community.

HLAA Gulf Coast and HLAA Tampa are local chapters of the Hearing Loss Association of America, the nation's leading voice for people with hearing loss. See www.hearingloss.org. HLAA and all its chapters are a 501(c)(3) nonprofit organization and your donations are welcomed to help us deliver our mission to the community. The chapter offers complimentary information, education, guidance and mentoring to anyone looking to improve their hearing or to their loved ones seeking ways to support them.

Save the dates • Wed., Oct. 5, 2018 - What is new in Hearing Aid Technologies and What is Right for You

• **Saturday, February 3, 2018** for the
