September 29, 2017 Meeting

Featured: Dr. Stacy O'Brien, Au.D, Atlantic Hearing & Balance

Topic: Tinnitus (Ringing in the ears) and Balance Issues

Location: Auditorium of the Port Orange Library

Time: 10 AM to 12 Noon

At all of our meetings we dedicate time for • learning about technological advances in the marketplace from other people with hearing loss – captioned phones, cell phone captioning apps, alerting devices, hearing loops for the home; • socializing with others that don't mind repeating themselves; • understanding more about your rights under the law; and • helping advocate for greater accessibility at sporting events, presentations, and public meetings.
